## SCHOOL MISSION

Bishop Mazzoldi Secondary School aims at providing the youth with quality education, which will prepare them to search for knowledge, value and skills which will enable them to be self reliant, responsible, conscious of the society and prepare them for different professions.

## School Vision

To help the young persons face the challenges of life with courage and confidence.

## Objectives

1. To challenge the youth to “cast into the deep” for knowledge, moral values and skills
2. To build a firm foundation for further education.
3. To prepare the youth to make positive contributions to the development of the society

## School Motto

“Cast into the deep,” (Luke 5:4) : Meaning endless search that may lead to discovering their real self and meaning their existence

## System of Education

The school offers the Kenya 8-4-4/CBC system for education which takes four (4) years of education in secondary school.
